## Updating Student Information

You will receive an email with a link to update your child's information online. You will be asked to update/review student and parent information, emergency contacts, health and medication information, provide school directory information, and preschool pick-up /walking field trip approval. This will replace many paper forms that had to be filled out every year.

## School Supplies

**If you purchased a school supply kit** in the fall, this kit will already be at school for the first day of school. This kit includes school supplies that can only be purchased at CTK. You do not need to pick up the kit, they will be taken to your child's classroom.

**If you did not purchase a school supply kit** you may bring school supplies on the first day of school. Any supplies that need to be purchased from CTK will be in your child's classroom. **Their teacher will let you know the cost of these school supplies and you may send a check or cash to school to pay for the supplies.** Visit our website, [www.ctkcougars.com](http://www.ctkcougars.com), to view the school supply list.
